About the Cover Artist

"I am endlessly inspired by the generous soul and dynamic power that embodies every horse. It's a connection that cannot be replaced by anything else, but if it's possible to translate those moments onto the canvas, our living spaces will breathe life because of it."

KATE TOPPS

Equestrian artist, Kate Topps, grew up riding in San Juan Capistrano. She loves sharing the experience of expression through painting with others, and getting to know individuals who share her deep passion for horses. You will find her often at horse shows painting while watching the action with her faithful dog, Cece. In addition to her own paintings and commissioned work, Kate will be offering painting parties for all ages at multiple horse shows throughout California in 2019. Private parties are also available. JUMPERS

\$20,000 PREMIER EQUINE YOUNG JUMPER SUITABILITY FINALS

WORLD CUP WEEK ONLY

Entry Fee: \$350

The purpose of the Jumper Suitability division is threefold. First, it will create a division that will assist breeders who are producing young jumper prospects by providing them with a venue to showcase their young horses (4-7 years old) that are best suited for the jumper divisions. Second, jumper suitability will assist trainers by providing a goal for their clients' young horses and encourage clients to continue their horses' training. Finally, jumper suitability will enable horse shows to offer jumper divisions for horses that may not otherwise compete. Horses will be judged over 2 rounds by a panel of 2 judges. Horses will be judged on performance, soundness, ride ability, scope and general suitability and likelihood of becoming

a Grand Prix prospect. Jumper rounds will be scored on a scale from 0-100. The judges will determine which ten (10) horses they would like to see in the third round, Best Overall Young Horse. JP116 applies to these classes. Running martingales are permitted. The top 8 horses in each age section will be awarded the prize money for their age group, these 8 horses will be determined by overall scores. Prize money will be divided as follows: 30%, 22%, 15%, 10%, 7%, 6%, 5%, 5%. The Best Overall Young Horse prize money will be awarded to horses competing in the third round only and the prize money will be awarded to the first place horse.

SPECIAL CLASSES

HUNTER CLASSICS

415. \$1,000 Junior/3'3" Junior Working Hunter Classic

Each classic will have a designated first-round class in which the last class of each division will be the designated class for the first round score of the classic. Exhibitors must enter the classic prior to the start of the first round class. Scratches are not permitted after the first round class has begun. Horses must have entered, shown, and completed the course in at least two of the respective hunter division classes over fences at this show. To be judged on performance and soundness, suitability and manners to count. To be scored under the open numerical judging system. To be shown over a course of approximately 10 jumps of height designated by qualifying division. The twelve horses with the highest scores from the first round will return to jump a second round over a different course. In the event of equality in the first round, all equal scored will return for the second round. Scores will be combined from the first round with the second round to determine overall winners. THE FEI CODE OF CONDUCT

For the Welfare of the Horse

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

- 1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
- 2. Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
- 3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
- 4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
- The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

A full copy of this Code can be obtained from the Fédération Equestre Internationale, Avenue Mon-Repos 24, 1005 | Lausanne, Switzerland | Telephone: +41 21 310 47 47 The Code is available in English & French. The Code is also available on the FEI's website: www.horsesport.org

1. The Sacramento International Horse Shows are covered by the rules and specifications of the current USEF, PCHA, FEI and NorCal Rule Books and will be conducted and judged in accordance therewith. Life, senior active and junior active members shall be eligible to participate in all classes at Regular Competitions, Eventing Competitions at the Preliminary Level or above and Combined Driving Competitions at the Advanced Level, Dressage, Reining and Vaulting Competitions and Endurance Rides. A nonmember may participate as a handler, rider, driver, owner, lessee, agent, coach or trainer at Regular Competitions, Eventing Competitions, Dressage Competitions, Reining Competitions and Combined Driving Competitions upon payment of a \$45 Show Pass fee. Participants in the following classes are exempted from the Requirements of this rule: 1) leadline; 2) exhibitions; 3) games and races; 4) classes for 4-H members; 5) walk trot (exception: Friesian performance FR222) and academy classes (academy classes are classes limited to horses used regularly in a lesson program); 6) USDF introductory level tests, pas de deux and quadrille classes; 7) NRHA Endorsed Reining Competitions. 8) Opportunity classes, 9) citizens of other nations who have proof, in English, of current membership in good standing of their own National Federation, 10) USEA beginner novice division; and 11) assistant handlers in Dressage Sport Horse Breeding classes.

2. FEDERATION ENTRY AGREEMENT: By entering a Federationlicensed Competition and signing this entry blank as the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaulter or Longeur and on behalf of myself and my principals, representatives, employees and agents, I agree that I am subject to the Bylaws and Rules of The United States Equestrian Federation, Inc. (the "Federation") and the local rules of the competition. I agree to be bound by the Bylaws and Rules of the Federation and of the competition. I will accept as final the decision of the Hearing Committee on any question arising under the Rules, and agree to release and hold harmless the competition, the Federation, their officials, directors and employees for any action taken under the Rules. I represent that I am eligible to enter and/or participate under the rules, and every horse I am entering is eligible as entered. I also agree that as a condition of and in consideration of acceptance of entry, the Federation and/or the competition may use or assign photographs, videos, audios, cablecasts, or other likenesses of me and my horse taken during the course of the competition for the promotion, coverage or benefit of the competition, sport, or the Federation. Those likenesses shall not be used to advertise a product and they may not be used in such a way as to jeopardize amateur status. I hereby expressly and irrevocably waive and release any rights in connection with such use, including any claim to compensation, invasion of privacy, right of publicity, or to misappropriation. The construction and application of Federation rules are governed by the laws of the State of New York, and any action instituted against the Federation must be filed in New York State. See GR908.4.

3. CONDITIONS OF ENTRY: Every horse entered for competition will be under the control of the Horse Show Management, but Horse Show Management will, in no case, be responsible for any loss or damage that may occur, and it shall be a condition of entry that each exhibitor shall defend, indemnify and hold harmless the Horse Show

and its officials, employees, directors, officers, Murieta Equestrian Center, West Palms Event Management, and its Sponsors, etc for any loss or accident to his horse, horses, employees or equipment which may occur from sickness, fire or other cause

4. MANAGEMENT: Horse Show Management reserves the right to interpret all questions and conditions in regard to or arising out of an incident to the show without claims for damages or recourse of any kind. All questions not covered in these Rules and Regulations shall be decided by Horse Show Management-their decision to be final. Horse Show Management reserves the right to refuse, accept conditionally or to cancel any entries, disqualify riders or exhibitors, prohibit exhibition of entries and cancel award prizes, without claim for damages; to change any course, to cancel or combine any unfilled classes, or to reschedule classes, after due notice to exhibitors; to change rings or rotate or change judges and officials; to change specifications in jumper classes in order to facilitate the time schedule. Management reserves the right to combine or cancel. Management reserves the right to limit entries in a class. Refused entries will be returned

5. ASSUMPTION OF RISK: By signing the entry blank, the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaulter or Loungeur acknowledges that horseback riding, particularly jumping, is a dangerous activity and involves inherent risks that may cause serious injury and in some cases death because of the unpredictable nature and irrational behavior of horses, regardless of their training and past performance and expressly assumes all such inherent risks whether identified herein, in the entry blank, or in the Federation Rules and Regulations. A horse, without warning or any apparent cause, can buck, stumble. fall, rear, bite, kick, run, make unpredictable movements, spook, jump obstacles, step on a person's foot or push a person-all of which may cause the rider or observer to fall or be jolted, resulting in serious injury of death. A horse may also become loose and cause injury to an observer or rider or to another horse-a loose horse can run at full gallop in a panic and run into objects or persons or other horses. The Show Ground Facilities are bordered by highways/roads and thus noise from traffic and other sources occurs that can and will cause a horse to unexpectedly spook or react quickly. The Show Ground Facilities contain roads or driveways that are traversed by cars, golf carts, tractors, trailers and heavy equipment all of which may spook a horse. The above warnings and risks are meant as an example of some of the risks that are inherent and may be encountered but it is agreed this is not an exhaustive list and there are numerous additional conditions and/or events that may result in injuries while participating in the Competition and/or being present on the Show Ground Facility.

6. THE FOLLOWING IS REQUIRED FOR EACH ENTRY:

- A. All horses on grounds must be registered on an entry blank including horses not entered in classes. One entry blank per horse.
- B. Entry forms must be complete with owner, riders, trainers and payee information including association membership numbers.
- C. Date of Birth of all minor exhibitors.

In the unusual case the time schedule allows a management approved add the day of a class, the entry fee will be double. Horses and riders who go in a class without entering will pay a fee of \$50.00 in addition to the cost of the class. All scratches must be received in the show office before the start of the class in writing to be considered for a refund; scratches via phone call or at the gate will NOT be considered. In divisions that are entered by complete section, no refund will be considered if the horse shows in any class of the division. The only other refunds given will be for cancellation of a class by Management, overpayment of fees, or the rejection of entries because of ineligibility or lack of stall space.
- 11. PRIZE MONEY: Checks will be mailed within 30 days of the show's conclusion. NO PRIZE MONEY WILL BE MAILED UNLESS THE OWNER'S or PAYEE'S SOCIAL SECURITY/TAX ID Number IS LISTED ON THE ENTRY FORM. Any prize money that is to be paid to someone other than the owner listed on the entry blank must be written on the form when submitted. Change of payee will not be permitted at the show. The Internal Revenue Service requires 30% of prize money won by foreign exhibitors to be withheld. Foreign exhibitors should apply for a U.S. Social Security number and are required to complete a W-8 Certificate of Foreign Status Form. Unless otherwise stated, prize money will be distributed through 8th place as follows-30%, 22%, 15%, 10%, 7%, 6%, 5%, 5%. Management reserves the right to adjust the prize money of any class if there are less than

- 10 horses entered as of 5:00 PM the day before the class or at management's discretion. Prize money will not be paid out to classes that are run with fewer than 3 entries.

All bills for veterinary, farrier services and feed/bedding are due and payable during the Show. Management reserves the right to deduct any unpaid veterinary, farrier and feed/bedding bills from premium money due the exhibitor. Any exhibitor not meeting his obligations to the official Show Veterinarian, farrier and feed/bedding vendor will be termed an undesirable exhibitor and entries from that exhibitor may not be accepted at subsequent shows.

- 14. RETURNED CHECKS/CHARGEBACKS ON CREDIT CARD CHARGES: Checks returned by the bank for any reason or a credit card reversal are regarded as a most serious offense and will be handled according to the following procedure: A \$50 penalty will be assessed for each returned check or credit card reversal or 10% of the face value of the check or credit card charge- whichever is greater. Accounts will be given five (5) days to be paid in full or they will be reported to the U.S. Equestrian Federation, Inc., PCHA and other appropriate association(s) for further disciplinary action. Checks will not be deposited a second time. In the case that the debt is not cleared within 30 days of the conclusion of the show, all prize money will be forfeited.
- **15. UNPAID CHARGES:** Any exhibitor leaving the show with an unpaid balance will be billed for these charges and a \$50 billing fee will be added to the total due. Until these charges are settled, all further entries of rider and owner will be returned.
